

Folding door system

- ▶ WingLine L / attached to the side
- ▶ All the benefits at a glance

Experiencing folding doors in a new way. WingLine L lets you produce folding sliding doors in a completely new dimension of convenience. The revolutionary Push / Pull to move opening mechanism provides access to everything inside the cabinet with just one movement of the hand. An impressive panorama effect! Further highlights:

optimised running performance, soft opening and closing, tool-less installation as well as minimal door protrusion for efficiently organising the space inside. WingLine L competently and securely moves door wings weighing up to 25 kg and measuring up to 2,400 mm in height: a talented all rounder for the bedroom, kitchen and office.

Panorama convenience: access to 6m² of cabinet content, leaving everything in perfect view.

For easy and gentle opening: Push / Pull to move module first class practical convenience.

Optimum use of space: minimal door protrusion, with door reliably held in place while open.

Purist and convenient: no distracting profile on the bottom panel.

Handleless perfection: The door set opens all the way with just one push - from the Push to move module.

Impresses everywhere: WingLine L is suitable for all commonly used door wing formats.

Impressive running performance: as smooth as never before and virtually silent.

Easy and cost effective: intelligent installation accessories for efficient one person installation.
